

Face 2 Face

Get out of everyday life, take time to meet with God,
and realign your relationship with him;
put away old burdens and refuel spiritually.

“What I wish for in each OMer more than world evangelization is the depth of their intimacy with God. Being able to leave the cares of this world to pursue His abundance, listen to Him and allow Him to feed my tired soul. It is a way for me to recharge my physical body and to calibrate my inner spiritual being with His.”

Lawrence Tong
