THE Greatest GIFT

"And the Word became flesh and dwelt among us, and we have seen his glory, glory as of the only Son from the Father, full of grace and truth."

~ John 1:14

FEED the HUNGRY

Life in the Horn of Africa is severe. You can support local Jesus followers in their relief efforts among Tigrayans and Somalis by providing food packages for families—a powerful witness of God’s mercy.

In Pakistan, OM is providing much-needed necessities for families in six cities who were devastated by recent flooding. We provide tarps, blankets and clothing to anyone in need in order to survive the winter.

HELP for REFUGEES

The Russian invasion of Ukraine has changed reality for most Ukrainians. Many thousands feel compelled to leave their homes and seek refuge abroad. OM teams are deployed along the shared borders, giving refugees warm welcomes, counseling, medical attention, and hope. OM works alongside churches to open homes and facilities to help refugees finding shelter, food, and basic health care.

3x Refugee Food Packs
\$15
2x Baby Kits (wipes, diapers, baby food)

Give **CLEAN WATER** for Christmas

Without clean, safe water, and sanitation, the poor draw water from rivers and streams hosting waterborne diseases. In Sri Lanka, tube wells are made for 'war widows' who have lost their husbands in a brutal civil war. Without these wells, many are forced to walk several kilometers toting heavy water barrels home on their heads. A well gives them a new life.

Tube well \$1,800
Share of a well \$120

Give women **SKILLS** and tools

The lives of 200 million African women are not easy. Uneducated, they struggle to feed their children and are often forced into the sex trade and other slavery.

Their social value is low and they effectively have no rights. Various OM ministries around the globe have proven that holistically empowering women will, in turn, empower others and earn the respect of their society. We provide training and resources for women to operate microbusinesses, such as tailoring, where training classes often foster interest in the gospel.

\$800 One sewing machine, supplies, and training

Bless a child with an **EDUCATION**

Education is not free in Pakistan. For many marginalized groups, particularly Christians, it is very difficult to access. Partnering with various communities to provide education, training, and development can help move millions of Pakistanis from poverty to prosperity.

The Scholarship Program provides assistance in the form of tuition, uniforms, and supplies to Christian students who otherwise wouldn't attend school.

The program allows students to attend an independent school with a strong Christian ethos, equipping students to break the cycle of poverty for future generations of minority Christians.

Send a child to school for a year \$1,250

Give a **BIBLE**

Most communities in Ghana are very poor, remote, and illiterate. Portions of Scriptures in various languages exist, while those who are illiterate hear the Gospel through audio. Pastors have limited access to resources which affects their entire church congregation. We want to supply Bibles in the most appropriate media, whether printed or as audio on an SD card in their own language that can be used anywhere on a phone.

5 Printed Bibles \$50
1 Audio Bible \$50

Give **CHICKENS**... or a **COW**

Moldova is one of the poorest countries in Europe. For many, insufficient income has forced them to go abroad to bring home a suitable income. Wanting to move beyond mere food relief, OM teams encourage the Moldovans not to merely consume donated chickens or cows, but to start a breeding program which will, over time, generate a steady income stream.

20 chickens for one family \$75
Give one cow \$1,300
