## Psalm 119:130

The unfolding of your words gives light;  
it gives understanding to the simple.

## Steadfast Purpose

When life feels like a roller coaster, can we remain dependant on God and steadfast in our purpose?

## Know it, Live it

In this session, we will explore by looking at Jesus, what it means to not just know the scriptures but to live them out daily.

Two more sessions available for the Unfold theme, plus year-round Bible studies and a daily devotional on the YouVersion Bible app!

## Victory in the Waiting

There are those who emerge from waiting better, stronger, and on the right path, while others emerge on a different path making poor and hasty decisions.

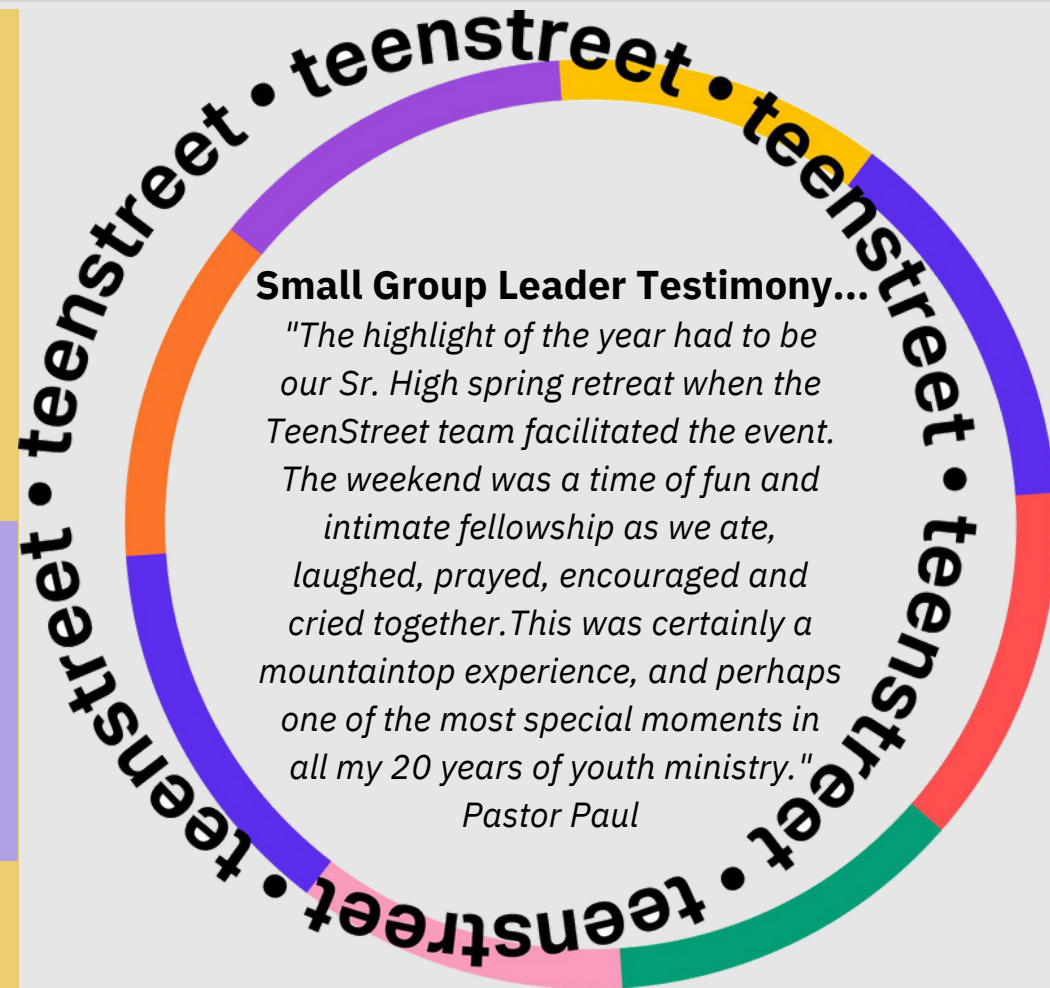

Is it possible to live out our calling in our time of waiting? We will discuss this and so much more as we explore how David waited.

## A Way Back

*"...according to your great love blot out my sin..."David, Psalm 51:1*

During this session we are reminded through David that when we mess up, there is always a way back to God.

## Small Group Leader Testimony...

*"The highlight of the year had to be our Sr. High spring retreat when the TeenStreet team facilitated the event. The weekend was a time of fun and intimate fellowship as we ate, laughed, prayed, encouraged and cried together. This was certainly a mountaintop experience, and perhaps one of the most special moments in all my 20 years of youth ministry."*
