Praying with Europe

1. Give thanks for reports of growing faith in Europe. Pray for a deep passion for God's Word across the region.
2. Pray for unity in the Church in Europe. Ask that God would knit hearts together in love.
3. Pray for the young people – the next generation of leaders.
4. Ask that God would bring more people groups from the many nations represented in Europe to Him.

**BE A
WATCHKEEPER**
