

**OM Family
Tribute to our
dear sister,
friend and
teammate –
Ingrid Taylor**

Ingrid from Jamaica, in the Caribbean, joined our OM family in 2014, where she served with our Team in Argentina. She moved on to the Team in Chile in 2016.

On Thursday, July 1, 2021 after a brief 2-month diagnosis and illness, Ingrid went home to be with Jesus.

In Chile, she served on the Leadership Team, in Personnel, Mobilisation and Children's ministry.

Fabian Tobar- Team leader for OM in Chile sent this tribute on behalf of the OM in Chile team:

Ingrid has left us a great legacy with her testimony of love, dedication and faithfulness to the Lord and to the people and children she ministered to. She served as a part of our team for 5 years. Along with being on the Leadership Team, she was the Personnel Officer, not only providing service and care for her teammates, but also helping many to go for mission training and to serve short term or long term on the mission field. Ingrid loved children and she loved taking the gospel to children in protective residences here in Santiago, Chile. Over the years she used her gift of hospitality; preparing for and welcoming guests, students, and new team members to the OM base. Ingrid was a very loved team member and friend who will be missed greatly by the team.

Please pray especially for Ingrid's family, for comfort and strength. Your prayers would also be appreciated for the many others who are heartbroken – the team in Chile, Ingrid's many friends throughout the world, and her church in Jamaica and Chile. Our greatest prayer has been and will continue to be that the Lord will be glorified in everything.

"Precious in the sight of the Lord is the death of His saints". Psalm 116:15

Now you can rest in glory.

It was a blessing to meet you and serve alongside you. Your dedication and devotion to your Lord, your joy and disposition are the mark of a service that is born from a worshipper's heart. The hope that we have today is the same that you shared with those you could witness to with your life, we know where we come from, who we are, who we belong to and where we are going.

But God, being rich in mercy, because of the great love with which he loved us, even when we were dead in our trespasses, made us alive together with Christ— by grace you have been saved— and raised us up with him and seated us with him in the heavenly places in Christ Jesus, so that in the coming ages he might show the immeasurable riches of his grace in kindness toward us in Christ Jesus.

Ephesians 2:4-7

Nichola Henry from the OM team in the Caribbean remembers Ingrid:

I met Ingrid in 2017, when I visited Chile to do an International Operations Audit (before I joined the Caribbean team). I travelled from Jamaica and was surprised to see a Jamaican on the team in Chile. I'd brought some Jamaican Bun and cheese for the team and left them in the team kitchen. Ingrid told me that the team members were wondering, 'who would ever eat cheese with bun', exactly how do you serve this bun?' She took over and explained the Jamaican tradition of bun and cheese and parcelled out the servings so each person could enjoy. We talked a lot about Jamaican food and spices and Chilean culture. I even went with the team one day for ministry with the Children. Since joining the Caribbean team we have corresponded on WhatsApp and email, and Ingrid is always prompt (quick to respond), kind and gracious.

Little sister, you have gone on ahead. Soak up all the love. I look forward to meeting you in eternity. For we know that **"to live is Christ and to die is gain"** **Philippians 1:21.**

My prayers are with Ingrid's family as they plan for the funeral and sort out her earthly affairs.

Jayson Robinson from the OM team in the Caribbean:

My dear friend Ingrid, it was a blessing to have known you. When you first came to me with the idea of joining the OM team, you had so much zeal you wanted to burst out on to the missions field in south america and you kept that fire for christ until the end my friend. I can remember your conversations were always filled with excitement and the interesting experience you have garnered in both Argentina and Chile. You loved working with children and as much as you and i know how shy you were, you never back down from answering God's call to serve his people.

You had a heart for children's ministry and a very kind and dedicated soul.

My prayers are with your family as they cope through such a soulful loss and pain but God's strength is upon you all and know this my friend, you, **"have fought the good fight, have finished the race, and have kept the faith"** **2 Timothy 4:7.**
